# XIII EUGA ANNUAL CONGRESS

Date: 22<sup>nd</sup> – 24<sup>th</sup> October 2020

Venue: Clayton Burlington Road Hotel, Dublin

Meeting Chair: Barry O'Reilly

## Welcome messages

Dear EUGA members and friends, I am delighted to welcome you all to the EUGA 2020 Annual Congress.

This year we will be welcomed by our colleague Prof. Barry O' Reilly in the beautiful city of Dublin. The COVID emergency which affected us all in different ways is finally loosening the grip and we firmly believe that having a face to face meeting this year will be a great opportunity to share our knowledge in urogynaecology as well as our mutual closeness. Michele Meschia and the other members of the Scientific Committee have prepared a rich and high-level scientific programme.

Interesting workshops submitted by several colleagues despite the lockdown have been selected by the scientific education committees and will characterize the first day of the congress. As always, eminent colleagues from all over the world will share their knowledge during the congress days with state-of-the-art lectures, debates and more. We invite you to submit your abstracts by the given deadline of 6th July and to join us in Dublin next 22-24 October in the safest possible environment.

I am looking forward to meeting you Dublin.

Stavros Athanasiou

EUGA President

It is a great privilege and honour for me to invite you to come and join us in Dublin for the 13th Annual Congress of the European Urogynaecological Association (EUGA) from 22-24th October 2020.

Each year EUGA goes from strength to strength with ever-increasing membership numbers and attendees at our annual meeting. Each year the conference Chair has the unenviable task of trying to keep up with the previous meeting and 2020 is no exception after the wonderful experience of Tel Aviv hosted by Shimon.

However, the year 2020 will be remembered by all of us as a time of enormous difficulty both personally and professionally. We have been faced with many challenges in how we interact socially and with our patients. We have found new ways of communicating across the world with reliance on modern technologies to attend "virtual conferences" and we will never take for granted the importance of the networking and socialising aspects of a "face-to-face" meeting. Throughout this difficult time, however, the EUGA executive has persevered in our endeavour to host one of the only "traditional" urogynaecological meetings of 2020. The committees of EUGA have created an outstanding scientific program of state-of-the-art lectures, symposia, workshops and abstract sessions to keep our membership up-to-date and, of course, provided us with a wonderful social program.

It is an opportunity for our members, guests and industry colleagues to come together again and no better place to do this than in Dublin – the social capital of the world with its tourist attractions, diversity, quality of cuisine and of course "the craic"!

It is my hope that you will get a chance to explore Dublin and its surroundings, and enjoy the vibrant atmosphere of our city.

As the EUGA 2020 Chair I am looking forward to welcoming you all to our "back to normal" conference

Barry O'Reilly

## SCIENTIFIC INFORMATION

### ABSTRACTS

Abstract Submission Deadline is August 6<sup>th</sup> 2020.

Most recent advances in the field will be discussed and presented through a diverse range of topics. You are invited to contribute to the Scientific Programme by submitting your papers for the following topics: Basic Science and Epidemiology, Urinary Incontinence, Prolapse, Imagine and Assessment, Pregnancy and delivery.

## Abstract Agreements

If your abstract is accepted for either oral or poster session, you will be asked to accept the following conditions:

- ☐ Present the lecture in the session format assigned to you by the Scientific Committee
- ☐ Register for the conference and assume responsibility for your own registration, lodging and transportation, as well as providing a substitute presenter in case of absence.

## Important Requirements

Presenters of accepted abstracts must pre-register for the Meeting.

Notification regarding abstract acceptance/rejection are available online and mailed individually to corresponding authors. If you are an author and have not received any e-mail notification regarding your abstract submission by EUGA Office, please send an e-mail to [info@eugaoffice.org](mailto:info@eugaoffice.org).

## PRESENTATION METHODS
